

Encounter Weekends 2010

There are many things in life, both before and after we have given our lives to Jesus, that will hold us back and limit us in our walk with Him. Over time, we have developed the Encounter Weekends to effectively minister healing and freedom into these areas.

“We are convinced these weekends will make a difference to your life”

What is an Encounter Weekend?

Among the values that we hold close to our hearts, there are two things that stand out: one is the need to be regularly filled with the Holy Spirit and the other is the need for our hearts to be healed from life's hurts. We have developed the Encounter Weekends to effectively minister into both of these areas.

Among the subjects we cover are: forgiveness, bitter roots, basic trust, inner vows and ungodly beliefs, and relational issues. Time after time we hear amazing testimonies of people's lives being transformed as they unhook from things that have hindered their Christian walk. We recommend that our members go on an Encounter Weekend; many find that God still highlights things the second and third time through.

Programme: the weekend begins on Friday evening at 7pm with dinner and introductory meeting and runs through until Sunday lunchtime, with sessions all through Saturday, and Sunday morning.
